UNREASONABLE PRICES
ASKED FOR PROPERTY

Inflation Beyond Reason May
Retard City's Progress
Says M. W. Stark.

"There is only one thing that may retard the sale of good inside property in Mishawaka, and that is the inflation of prices beyond reason," said M. W. Stark of the Stark Realty Co., to The News-Times Thursday.

Mr. Stark has recently studied the realty situation. Continuing, he said that Mishawaka had impressed him as being in a very prosperous growing condition, not necessarily a boom, and is convinced that it may terminate in one before the end of the present year. He finds that there is a good demand for moderate priced rental properties, and also a keen interest in being shown in residence property that is for sale. He looks for this interest to increase as the season advances.

He has been impressed with the fact that there is a lot of good business and residence frontage lying idle throughout the city that should be occupied but for the reason that an unreasonable price is asked for it. He believes that the business district of the city will expand as the people of Mishawaka fully realize that they can buy just as good goods in this city as they can in South Bend, and for a little less money.

The merchants are beginning to realize, he continued, that they are no longer in a small town, and must carry a full up-to-date line of stock. Mr. Stark looks for a population here of 25,000 within five years.

ISSUES PROCLAMATION
INDORSING BABY WEEK

Welfare Committee Completes
Plans For Launching Important Campaign.

The following proclamation for Baby week was issued by Mayor Ralph W. Gaylor Thursday morning:

To the citizens of Mishawaka: I am glad to know that the Mishawaka Woman's club is preparing for a baby welfare campaign and has designated March 4, 5 and 6 as the days for its observance.

This is the age of conservation. We are conserving forests, minds and water powers but what are we doing to conserve human life, our real national asset? The observance of a Baby Welfare campaign is an expedient for bringing attention to facts well known by medical and scientific authorities and which if popularized will materially reduce the loss of infant life.

I heartily endorse the movement

and urge the active cooperation of citizens to the end that there may be marked improvement in conditions and influences surrounding the children of Mishawaka.

RALPH W. GAYLOR, Mayor.

(Signed) Plans have been completed by the committee in charge of arrangements for Baby week: which is to open here Friday morning and a full program of what is in store will be announced in the Friday morning edition of The News-Times.

It has been assured that all local merchants who deal in articles relative to the matter will have exhibits of special interest to mothers. The following local merchants have made provisions to aid in the campaign of instructions on Baby Welfare by displays of the most modern appliances for the care of the young folks: A. S. Winex, "Haslanger's" nursery, Red Cross pharmacy, Mishawaka pharmacy, O. E. Lane and Co., F. A. Ullmann, Parmenter's jewelry store, Mishawaka Furniture Co., Van Rie's jewelry store, E. C. Went and Co., Colbert's hardware store, Herzog's shoe store, Belger Furniture Co., the Golden Rule, M. Gilbert and Son, Wurz grocery.

The program will include lectures upon the scientific feeding and care of babies. In addition to the hearty cooperation of the mayor the city health office has placed itself at the command of the Baby week committee.

The committee asks that during this campaign all merchants and public officials display flags in recognition of the event.

MISS GAY IS GUEST
AT FAREWELL PARTY

Miss Nellie Dittman, residing two miles east of Mishawaka, entertained a number of friends at her rural home Wednesday evening. The affair was in the nature of a farewell to Miss Georgia Gay, who will leave next week for Edwarsburg, Mich., where she will make her future home.

A fine luncheon was served by Miss Dittman. Covers were laid for 12 guests.

GETS NATURALIZATION PAPERS

The proudest man in Mishawaka at the present time is Henri Marie Jen Hubert Hendrikz who Thursday received his second naturalization papers from Laporte, Ind. Mr. Hendrikz is what he terms himself a Holland-French-American with the emphasis on the American. He has been in this country for five and a half years, and is employed in the Guy Stutsman garage. He is an enthusiastic admirer of the country of his adoption and is behind President Wilson in all he says and does.

WAGE STILL A QUESTION

Operators and Miners Are Unable to Agree.

International News Service:

NEW YORK, March 2.—Deadlocked in their wage scale conference the soft coal operators and miners representing Illinois, Indiana, Ohio and western Pennsylvania, adjourned just before noon until 9 o'clock tomorrow morning.

There are said to be differences of opinion among the delegates of the

miners, particularly those representing Indiana. Conditions in Indiana, where some miners are paid upon a run of mine basis, and others are not, make it extremely difficult to fix a basis for a flat rate of payment.
